RE: Burgin Mine
ACT/049/009
Utah County, Utah

Dear Bill:

The 30-day publication notice period for the Burgin Mine Project has expired as of July 12, 1982. The Division received no adverse comments of any substance. Therefore, you will find enclosed Form MR-5 which will need to be completed and will necessitate the posting of the surety bond. Once this is accomplished and the Division is in possession of the original notarized copies, a final letter of approval will be issued. If I may be of any help answering additional questions, please call me.

Sincerely,

THOMAS N. TETTING
ENGINEERING GEOLOGIST
